### Purpose

The purpose of this policy is to formally establish the rules at the Centre for Indigenous Health Leadership (CIHL) regarding the required work experience that students are expected to have prior to enrolment, in compliance with the Private Training Institutions Branch (PTIB) regulation. For work experience that may qualify towards a student's credits at the CIHL, please refer to A010 Prior Learning Assessment and Recognition (PLAR) Policy.

### Policy

The CIHL does not require or expect any specific work experience from students prior to their enrolment.
